WELCOME TO OUR FAMILY RACEDAY

We would very much like to welcome you once again to what has now become "Probably The Best Family Racecourse Day Out". As well as seven great horse races, we have different activities to keep you and your children entertained throughout the day.

We would like to offer you some tips and advice on how to get the best out of your visit to us:

1. Come Early and enjoy all of the activities, some of which will only take place between 12.00pm and 2.00pm (before Racing starts). Age and height restrictions apply to a number of activities.
2. Many of our activities are held indoors but obviously a number are also held outdoors. Dress appropriately for the weather.
All activities and times are subject to change
3. Visit www.downpatrickracecourse.co.uk to book. Tickets cannot be refunded or exchanged after purchase.
4. PICNICS : If you feel you want to bring a picnic then please do BUT please note that it is **not permissible to bring any food or drink into the enclosure** beyond the turnstiles area (no exceptions). So if a picnic is your preference come early and enjoy yours in your car beforehand.
5. It is a condition of entry to Downpatrick Racecourse that patrons accept that Downpatrick Racecourse or its agents, press or other photographers may capture photographic or moving images of Downpatrick's patrons and that such are aware that any such images may be utilised by Downpatrick Racecourse, its parent or associated companies, together with its sponsors for promotional or other purposes.
6. Most of the activities throughout the day are free however a small charge will apply to a limited few- these will be signposted on the day.
